

A person is captured in a dynamic pose, splashing water in a pool. The water is frozen in mid-air, creating a large, intricate splash that frames the person's head. The background is a soft, golden sunset over a body of water, with silhouettes of trees and a clear sky. The overall mood is serene and refreshing.

# HOW IT WORKS

Rates are listed in USD. Payments to Casa Chango are made in MXN. Rates do not include use of aerial equipment. If you want to use aerial equipment at your retreat, please email us at [CasaChangoRetreats@gmail.com](mailto:CasaChangoRetreats@gmail.com)

## **Step 1: Decide on your WORKSHOP FEE. This is how much you would like to make per participant.**

We recommend between \$500 - \$800 USD as your workshop fee. This will be the amount you make for each participant. Keep in mind that you'll have to cover the cost of your own flight.

## **Step 2: Select the rooms you would like to rent and the number of participants you anticipate.**

See the chart on the next page for the price per room!

### **Amount due to Casa Chango:**

Add up the price for each room you would like to rent. \$1,000 non-refundable deposit is necessary to reserve the retreat center, and contributes to your overall total due to Casa Chango.

### **Amount you make:**

Multiply your workshop fee by the number of participants you anticipate. If you have fewer than 10 participants, make sure you include a room for yourself in the ones you are renting. Subtract the price of that room from the total.

# BOOKING THE ENTIRE RETREAT CENTER

If you would like to rent the entire retreat center, we offer the following flat rates.

## 18-30 participants / 13 rooms total

2 dorms (up to 8 people)

8 private rooms with shared bathrooms (up to 16 people)

3 private rooms with private bathrooms (up to 6 people)

For groups of 18-30 total participants (including facilitators), we offer flat rates.

\$20,000 for up to 20 total participants (including facilitators)

\$1000 for each additional participant up to 30

30 total participants costs \$27,000.

Taxes not included.

**The benefit of booking the entire retreat center** is that you and your group can create any ambience and 'vibe' that you want for the week. Keep it calm or go wild! We support your choices.

Note: Full retreat center bookings may not be adjusted to partial bookings once the deposit is sent and contract signed.

# BOOKING A FEW ROOMS

See examples in pages below.

If you book individual rooms with a booking of less than 18 people, please note that you may end up sharing the retreat center with another retreat. Don't worry there is plenty of space!

We recommend booking a few rooms if you are not sure how many sign ups you will get. If you want to add rooms to your booking, just contact us. As long as there are rooms available, we are happy to add them. If you book the entire retreat center, you may not subtract bookings.

- We will help navigate class times in the gym and studio spaces.
- If you are sharing the space, we will meet with all facilitators prior to the start of the retreat to make sure that both groups have their needs well supported for the week.
- We always create an inclusive, community oriented culture at Casa Chango in which kindness and acceptance thrive. Our staff contributes to that culture, and everyone is welcome to feel at home. We are very proud of the positive feedback from our guests and facilitators.
